EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Elaine M. Ramesh on 03/01/04.

The application has been amended as follows:

Claim 20, line 4, after the phrase "with lansoprazole and a sugar", the phrase "in an amount of 5 to 97 parts by weight" has been inserted.

Claim 21, line 4, after the phrase "solid preparation;" the phrase "adding sugar in an amount of 5 to 97 parts by weight" has been inserted.

Claim 30, line 4, after "a sugar", the phrase "in an amount of 5 to 97 parts by weight" has been inserted.

Claim 31, line 4, after "a sugar", the phrase "in an amount of 5 to 97 parts by weight" has been inserted.

The following is an examiner's statement of reasons for allowance:

The reason for allowance of the claims is the inclusion of sugar in an amount of 5-97 parts by weight in all of the claims. Applicant's specification discloses "in order to obtain sufficient strength and sufficiently fast disintegrability, the sugar is used in an amount of 5-97 parts by weight" (page 9).

Art Unit: 1615

The cited prior art does not teach the percent amount of sugar, as well as, adding low-substituted hydroxypropylcellulose having 5% to less than 7% by weight of hydroxypropoxyl groups to obtain a rapidly disintegrable solid preparation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 20, 21, 23-26 and 28-32 are allowed.
